The Municipalities shall be deemed to have assigned their authority to police in their respective areas of coverage to the Regional Department, subject to the terms of this Agreement, and any other documents or acts to be adopted by the Commission, with said District to be independent of the Municipalities for purpose of this Agreement and subject solely to the control and authority of the Commission. Notwithstanding the foregoing, each Municipality shall retain concurrent police powers as may be necessary to enforce non-traffic ordinances enacted by such Municipality.

**ARTICLE 2**  
**REGIONAL POLICE COMMISSION**

2.1 The Regional Department shall be and remain under the general supervision of the Commission.

2.2 The Commission shall consist of ten (10) members composed of two (2) representatives from each Municipality selected as follows:

- D. The term of each representative appointed at the outset of this Agreement shall be for three (3) years, to mirror the initial term of this Agreement. Thereafter the term of each appointed representative shall be for four (4) years. The respective Municipalities shall appoint a successor for the unexpired term of any Commission member who vacates, resigns or is removed from the Commission.
  
- E. The Commission members from each Municipality shall be selected by the Township Supervisors and/or Borough Council of each Municipality. Prior to appointing any representative to the Commission, the Municipalities shall obtain Pennsylvania criminal background and Pennsylvania child abuse clearances for their appointees. The Municipalities may impose any other qualifications or prerequisites for appointment as Commissioner as each Municipality deems appropriate.

Section 2.3. If and when additional political subdivisions become part of the Regional Department, each such joining political subdivision shall appoint at least one member to the Commission. The actual number of representatives that any political subdivision appoints to

the Commission shall be determined at the time the political subdivision agrees to become a party to the Amended and Restated Agreement.

Section 2.4. The governing body of each Municipality shall inform the governing bodies of all other Municipalities and the Chair of the Commission, in writing, if a member of the Commission appointed by such governing body is being replaced. The notification shall state the date upon which the removal is effective, as well as the date on which the Commission member's replacement takes office. No person appointed to serve on the Commission may vote as a member of the Commission until the governing body which appointed the member provides the notification required in this Section 2.

Section 2.5. The officers of the Commission shall be a Chair, First Vice Chair, Second-Vice Chair, Secretary and Treasurer. The Chair and Vice Chair shall be members of the Commission. Such officers shall be elected by the Commission at its organizational meeting each year, and the duties of such officers shall be as prescribed by Roberts Rules of Order, revised.

Section 3.5. Special, emergency or rescheduled regular meetings of the Commission may be scheduled by appropriate action of the Commission fixing the date, time and place of such meeting. Special, emergency or rescheduled regular meetings may be called by the Chair and shall be called at the written request of any one or more members of the Commission. The call and the request, if any, shall state the purpose of the meeting. Commission members shall not become involved in general administrative or operational issues of the Regional Department.

Section 3.10. As individuals, Commission members have no administrative authority. Individual Commission Members cannot give orders to or otherwise supervise employees of the Regional Department unless specifically directed to do so by the Commission as a whole.

Section 5.6. The Commission shall file an annual written report with each Municipality by March 31 of each year. The Commission shall have its books, accounts, and records audited annually by a certified public accountant appointed by a majority vote of the Commission, and the annual audit report shall be presented to each Municipality as a part of the annual report. If the Commission fails to make such an audit, then any Municipality may designate a representative to examine the books, accounts and records of the Commission for the purpose of preparing such an audit. The costs of such an audit shall be borne by the Commission, and the Municipality shall provide copies of such audit report to all other participating Municipalities. The Attorney General of the Commonwealth of Pennsylvania shall have the right to examine the books, accounts and records of the Commission.

Section 5.7. Funds distributed under the Foreign Casualty and Insurance Company Act (Act of May 12, 1943, P.L. 259, 72 P.S. et seq., as amended) and the Municipal Pension Plan Funding Standard and Recovery Act (Act 205 of 1984, P.L. 1005, 53 P.S. S895.101 et seq., as amended) to the Municipalities by the Commonwealth of Pennsylvania for police pension purposes shall be paid to the Commission by the Municipalities for the purposes authorized under such laws governing the operation

**ARTICLE 12**  
**TERM OF AGREEMENT and DISSOLUTION**

Section 12.1. The term of this Agreement shall begin on the effective date of the last adopted ordinance enacted under the Intergovernmental Cooperation Act by the Municipalities approving this Agreement, and shall continue until terminated by the Municipalities as provided herein. During the period from the initial effective date through termination or further amendment of this Agreement, each Municipality shall be required to comply with all the terms and conditions of same; however, the Municipalities reserve the right to withdraw from the Regional Department or dissolve the Regional Department in accordance with Sections 12.2-12.8 of this Agreement. The participating Municipalities agree to an initial commitment of three years, waiving its right to withdraw herefrom until after three years from the date of this Agreement.

Section 12.2. A Municipality may withdraw from the Commission provided that written notice of its intent to withdraw is sent by certified mail, return receipt requested, to the Commission at least one (1) year in advance of the Annual Termination Window. The Annual Termination Window is defined for purposes of this Agreement as the time period in each year from December 15 to December 31. If notice of a Municipality's intent to withdraw is timely sent, such withdrawal shall be effective January 1 of the year starting 12 months from the last day of the Annual Termination Window.

Section 12.3. In the event of withdrawal, all facilities, real estate, vehicles, equipment, materials, supplies, and other property owned by the Commission and/or the Regional Department in which the withdrawing Municipality has an interest shall be appraised by an appraiser appointed by the Commission for determining the fair market value of such assets. A list of Assets and Liabilities shall also be calculated and provided to the withdrawing

Municipality. The Withdrawing Municipality shall be repaid its equitable interest in such assets (after factoring in its proportionate share of indebtedness and financial obligations for same) in accordance with its proportionate share as set forth in Appendix A. The withdrawing Municipality may retain its own appraiser, at its own cost, within forty-five (45) days after receipt of the Commission's appraisal report. The Commission and the withdrawing Municipality shall exercise good faith in trying to reach an agreement as to the fair market value of the assets. If the Commission and the withdrawing Municipality fail to reach agreement as to fair market value within forty-five (45) days, the matter shall be determined by an arbitrator mutually acceptable to both parties. If the parties cannot agree upon the appointment of an arbitrator, the arbitrator shall be selected by the American Arbitration Association, which entity's commercial arbitration rules shall then control the valuation proceeding. The arbitrator shall then determine the fair market value of the Commission's assets, whose decision shall be final. The cost of the arbitration shall be paid by the withdrawing Municipality. The withdrawal of less than two-thirds (2/3) of the Municipalities at any given effective date shall not work a termination or dissolution of the Commission. In the event that a Municipality withdraws while there are only two (2) Municipality Members, the withdrawal shall work a dissolution of the Commission.

Section 12.4. In addition to the costs set forth in Section 12.3 above, the withdrawing Municipality shall be responsible for all pension costs as determined by the Auditor General of the Commonwealth of Pennsylvania, as well as all actual and identifiable costs to the Commission of withdrawal, including but not limited to appraisal, transfer and recording costs, which are directly or indirectly attributable to the withdrawal, shall be the responsibility of the withdrawing Municipality. on withdrawal. Any monies due the Commission by the withdrawing Municipality may be paid, in equal annual installment payments over a period of up to three (3) years.

Section 12.5. Withdrawal from the Regional Department by any single Municipality shall not constitute a dissolution of the Regional Department or the Commission unless only one member remains as a result of the withdrawal.

Section 12.6. The Regional Department and the Commission may be dissolved by a vote of at least two-thirds of the Municipalities' then members; provided, if two Municipalities are members of the Commission then the withdrawal of one of the Municipalities pursuant to Section 12.3 of this Agreement shall result in a dissolution of the Regional Department and the Commission. In the event of dissolution, all equipment, materials and supplies owned by the Commission shall be appraised by appraisers appointed by the member Municipalities for the purpose of determining the fair market value of such equipment, materials, and supplies. The equipment, materials and supplies shall then be distributed in the same proportion as the actual contribution of the Municipalities to the Commission during the past 12 month period for all police service and minimum municipal obligation contributions. In the event that an equitable distribution is not possible, all or any portion of the equipment, material and supplies may be sold and the proceeds distributed in the aforesaid proportion.

Section 12.7. Any real property owned by the Commission shall be sold upon dissolution. Member Municipalities shall have the privilege of bidding upon such property at a private sale, with the highest bidder being entitled to purchase the property. If no bids from members are received within 20 days of the notice of sale by the Commission, then the property shall be sold at public sale, and the proceeds distributed as set forth in Section 12.6 herein. Each

Municipality shall be responsible for any unfunded or contingent liability of the Regional Department in proportion to its respective apportionment.

Section 12.8. If the Regional Department is dissolved and a Municipality desires to reestablish its police department, such Municipality shall give first consideration to members of the Regional Department in hiring officers for its reestablished police department.

### **ARTICLE 13** **BYLAWS**

Section 13.1. The Commission may adopt bylaws in the future upon the affirmative vote of at least sixty percent (60%) of the members of the Commission. During the aforementioned ninety (90) day period, any Municipality may submit to the Commission a line-item veto with respect to any portion(s) of the proposed bylaws. Upon receipt by the Commission of any such line-item veto(s), the Commission shall remove the vetoed provision(s) from the proposed bylaws prior to any Commission vote to adopt the proposed bylaws.

Section 13.2. Bylaws adopted by the Commission shall not have the effect of altering or amending the Agreement. To the extent any bylaw adopted by the Commission is inconsistent with any provision of this Agreement, this Amended and Restated Agreement controls and the bylaw at issue shall be disregarded,

**ARTICLE 14**  
**INTERPRETATION OF AGREEMENT**

Section 14.1. If any differences arise out of interpretation of this Agreement between the Commission and any Municipality or between or among the Municipalities forming the Commission, the Commission and the Municipality or Municipalities shall arrange a meeting of two members of the Commission and two members of the objecting Municipality or Municipalities governing body to discuss and attempt to amicably resolve the disputed matters at a neutral location. If the Commission and the Municipality or Municipalities are unable to resolve the dispute through this meeting, any party may request the services of the American Arbitration Association or any other mutually acceptable neutral mediation service within twenty (20) days after the meeting. If any party requests mediation, the other party shall attend at least one mediation session conducted by the neutral mediation service. If no party requests mediation or the mediation, once held, is unsuccessful, then either party may take any action authorized by law.

**ARTICLE 15**  
**MISCELLANEOUS PROVISIONS**

Section 15.1. This Agreement shall not be amended or modified except by written document, dated and executed by all of the Parties. Any such amendment shall require the assent of all Members.

Section 15.2. This Agreement shall be interpreted in accordance with the laws of the Commonwealth of Pennsylvania.

Section 15.3. The provisions of this Agreement are severable, and if any section, sentence, clause, part or provision hereof shall be held illegal, invalid or unconstitutional by any court of competent jurisdiction, such decision of the court shall not affect the remaining sections, sentences, clauses, parts or provisions of this Amended and Restated Agreement. It is hereby declared to be the intent of the governing bodies of the Municipalities that this Agreement would have been entered into if such illegal, invalid or unconstitutional section, sentence, clause, part

or provision had not been included herein.

Section 15.4. The Municipalities have each enacted an ordinance pursuant to and in accordance with the law for the purpose of authorizing and effectuating this Agreement.

Section 15.5. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which shall constitute one and the same Amended and Restated Agreement.

Section 15.6. When the sense so requires, words of any gender used in this Amended and Restated Agreement shall be held to include any other gender, and words in the singular number shall be held to include the plural, and vice versa.

IN WITNESS WHEREOF, the parties hereto have caused these Articles of Agreement to be executed as of the day and year first above written.
